To the Heads of National Sambo Federations of Europe

Dear colleagues,

Due to difficult epidemiological situation in the Netherlands, namely the necessity to undergo a ten-day quarantine for arrivals from many European countries, the Executive Committee of the European Sambo Federation decided on 27.09.2021 to postpone the European Sambo Championship among cadets (boys 14-16 years and girls 14-16 years) in Cyprus keeping the scheduled dates (17-20 December 2021).

Best regards,  
Sergey Eliseev  
President of the European Sambo Federation
